

GOLDEN ORE

2020 SAUVIGNON BLANC • NAPA VALLEY

The pale gold color of our Sauvignon Blanc, earthy yet vibrant, inspired the name Golden Ore. A product of the earth and its environment, it too is a rare find, with only a limited number of cases produced. The vineyard is located on an alluvial fan at the base of the Mayacamas mountain range. Composed of coarse, mostly gravelly soil, this winning combination provides excellent drainage, forcing roots to permeate deep into the ground. The result is a style that develops great structure, complexity, and nuance.

I love expressive Sauvignon Blanc that is fresh and racy on one hand but textural and complex on the other. 2020 was a dry, warmer year which helped create an even more aromatic Sauvignon Blanc than usual, with excellent texture and acid.

- Maayan Koschitzky, Winemaker

Our 2020 Golden Ore opens with highly expressive aromatics of white flowers, citrus zest, vanilla and hints of tropical notes. Alluring flavors of white peaches, citrus, custard and tropical fruit follow, mingling with counterpoints of stone and slate bolstered by a trace of French oak.
