2021 SIMON FAMILY ESTATE DOUBLE BLESSINGS 'MICHAEL'

Double Blessings is a tribute to our twin sons, Michael and Peter. It truly is a blessing they are both in our lives. Winemaker, Maayan Koschitzsky, crafted two variants of Double Blessings, each representing similar roots, yet quite distinct personalities, just like our sons.

The 2021 Double Blessings 'Michael' originates predominantly from Yountville, the Sleeping Lady Vineyard, with marked influence from Coombsville's Rocca Collinetta Vineyard. Explosive aromas of blackcurrant and juicy blackberry unfold with hints of tobacco leaves and vanilla. While opulent and powerful, 'Michael' expresses silky tannins with a touch of sweetness from 22 months of French oak aging. The complexity of this wine will continue to unveil many layers over time.

2021 was a textbook superb vintage, warm and sunny, offering the luxury of extended hang time, and allowing the grapes to achieve optimal ripeness. It will be a vintage remembered for low yields and intense, small berries packed full of flavor. These wines will be a collector's favorite for several years to come.

"It's structured, has ripe tannins, and is a very different style compared to the perfumed, elegant, floral Peter release."
