2021 SIMON FAMILY ESTATE DOUBLE BLESSINGS 'PETER'

Double Blessings is a tribute to our twin sons, Michael and Peter. It truly is a blessing they are both in our lives.

Winemaker, Maayan Koschitzsky, crafted two variants of Double Blessings, each representing similar roots, yet quite distinct personalities, just like our sons.

The 2021 Double Blessings 'Peter' is composed predominantly of Cabernet Franc with Cabernet Sauvignon completing the blend, hailing from the Tench Family Vineyard. The warmer sites of Oakville offer a full-bodied mouthfeel with excellent minerality and layers of graphite and black cherry. Aging in 80% new French oak brings a refinement to the wine's robust nature, making it ever more pleasing and approachable. Inky dark in color, this wine opens with vibrant fruit and spices and leads to an impressive, savory finish.

2021 was a textbook superb vintage, warm and sunny, offering the luxury of extended hang time, and allowing the grapes to achieve optimal ripeness. It will be a vintage remembered for low yields and intense, small berries packed full of flavor.

These wines will be a collector's favorite for several years to come.

"It's balanced, has ultra-fine tannins, incredible overall balance, and a great finish. It's a sensational wine."
