2023 SIMON FAMILY ESTATE ROSÉ OF GRENACHE "TIGRESS"

Our 2023 Tigress Rosé of Grenache is a tribute to proprietor and matriarch, Nada Simon. Nada epitomizes the majestic tigress: fearless, strong, powerful and protective. Crafted in Nada's preferred style, this complex rosé is light, lively, and adorned with exquisite aromatics.

"The wine is made a la Provençale, highlighting the natural acidity derived from the grapes, then bottled within 6 months to capture the freshness and elegance."
-Maayan Koschitzky, winemaker

At first glance, the 2023 Tigress Rosé of Grenache is captivating with its light blush hue. Delicate yet assertive, the inviting floral aromatics of white peach blossom and jasmine radiate with pure characteristics. On the palate, juicy grapefruit is accompanied by a nuanced touch of honeysuckle and orange zest, adding delightful layers of citrusy brightness and freshness. Lingering notes of slate and minerality complete a round and smooth finish.
