With a pedigreed composition including renowned vineyard sites, Vine Hill Ranch Vineyard and Tench Family Vineyard, the fruit provides excellent minerality, purity, and great depth. Elegant yet powerful, the 2021 Reserve presents silky layers of ripe plum, dark currant, and crème de cassis. With its velvety tannins, full-bodied richness, and concentrated flavors, this wine will be celebrated and enjoyed for many years.

2021 was a textbook superb vintage, warm and sunny, offering the luxury of extended hang time, and allowing the grapes to achieve optimal ripeness. It will be a vintage remembered for low yields and intense, small berries packed full of flavor. These wines will be a collector's favorite for several years to come.

*"A stellar wine."-Decanter, 100 pt rating
"It will keep for 30+ years."-Jeb Dunnuck, 99 rating*
