2024 SIMON FAMILY ESTATE ROSÉ OF GRENACHE "TIGRESS"

Our 2024 Tigress Rosé of Grenache is a tribute to proprietor and matriarch, Nada Simon. Nada epitomizes the majestic tigress: fearless, strong, powerful and protective. Crafted in Nada's preferred style, this complex rosé is light, lively, and adorned with exquisite aromatics.

"The wine is made a la Provençale, highlighting the natural acidity derived from the grapes, then bottled within 6 months to capture the freshness and elegance."
-Maayan Koschitzky, winemaker

Glimmering watermelon pink in color. Gregarious and inviting with perfumed notes of wild white raspberries, fresh picked roses, honeydew melon, and honey crisp apple. Spirited acidity combined with low alcohol, leads to a vibrant and refreshing mouthfeel, balanced with a core of focused and concentrated fruit on the finish. This is a gastronomic wine with great versatility at the table, or a charming glass to enjoy as an aperitif.
