## 2022 SIMON FAMILY ESTATE RESERVE CABERNET SAUVIGNON

The 2022 Simon Family Estate Reserve Cabernet Sauvignon represents the finest expression of our craft. As the flagship of our portfolio, this wine is made from a meticulous barrel selection sourced from iconic vineyards including Tench, Vine Hill Ranch, Beckstoffer Georges III, and Sleeping Lady. Produced only when both the fruit and vintage rise to extraordinary levels, it embodies our unwavering commitment to quality and distinction.

On the nose, the wine is profoundly aromatic, unveiling layers of spiced Christmas cake, cherry cordial, and Earl Grey tea, interwoven with nuances of fragrant earth, dried rose petals, and classic cigar box. The palate is structured yet refined, with dense, chewy tannins that provide a sense of gravitas without overshadowing the wine's elegance. The finish is remarkably long and savory, marked by lingering notes of dark fruit, exotic spice, and crushed stone.

This 2022 Reserve bottling is a testament to both place and precision—an age-worthy Cabernet Sauvignon that marries power with poise.

*"It's one of the most concentrated, impressive wines in the vintage." - Jeb Dunnuck, 97 points*
