2022 SIMON FAMILY ESTATE DOUBLE BLESSINGS 'MICHAEL'

Double Blessings is a heartfelt tribute to our twin sons, Michael and Peter—two remarkable individuals, each with a unique spirit. To honor them, our winemaker, Maayan Koschitzky, created two distinct wines, each crafted as a single varietal expression: one predominantly from Cabernet Franc and the other from Cabernet Sauvignon. Both are sourced from Napa Valley and produced with the same precision and care, yet they reveal strikingly different personalities, one structured and contemplative, the other vibrant and expressive. More than just a pair of wines, Double Blessings reflect our family's determination to grow, and the extraordinary gift of being blessed with twins.

Composed in nearly equal parts from three renowned Napa Valley vineyards, including Tench Vineyard, Beckstoffer Georges III, and Sleeping Lady, this wine embodies the essence of site driven complexity. Each vineyard contributes a distinct character: Tench lends power and dark intensity, Georges III provides structure and classic Rutherford dust, while Sleeping Lady offers elegance and lifted aromatics. Woven together with precision, these components create a wine of remarkable balance and depth.

Focused and layered, the 2022 Double Blessings 'Michael' Cabernet Sauvignon opens with dark tones of black cherry and currant, accented by mocha, cedar, and a trace of tar. The palate is powerful with dense notes of ground espresso, cast iron, and clove oil. Fine grained tannins give way to a lingering finish of blackberry preserves, game, and roasted herbs.
