SYLVAIN, DEMPTOS,
BEL AIR, SAURY

ALCOHOL: 14.9%

PH: 3.79 | TA: 6 G/L

RELEASE:
MARCH 2026

SRP: \$150

2023 SIMON FAMILY ESTATE NAPA VALLEY CABERNET SAUVIGNON

The 2023 Simon Family Estate Napa Valley Cabernet Sauvignon is sourced from four iconic vineyard sites—Sleeping Lady, Beckstoffer Georges III, Collinetta and Tench Vineyard—each contributing its own dimension of character and complexity. Together, they form a cohesive expression of the Napa Valley at its finest.

The 2023 growing season earned its reputation as “The Vintage of a Lifetime,” marked by one of the longest and most even-tempered growing seasons Napa Valley has experienced in over a decade. Consistent, mild weather paired with abundant sunshine allowed for extended hang time and slow, even ripening, resulting in exceptional fruit quality and above average yields.

The wine opens with vibrant aromatics of dark red and black fruits layered with subtle savory undertones. On the palate, it is fresh and focused, with bright acidity that lifts the fruit and carries it seamlessly across a long, expressive finish. Firm, well-defined tannins provide structure and balance, framing flavors of ripe berries and classic Cabernet nuances. Enjoyable in its youth for its energy and precision, this wine also possesses the architecture to age beautifully for years to come.

“It has the structure and depth to evolve for decades while already offering plenty of hedonistic appeal today.”
